

A Toastmasters International Program

Improve your Public Speaking and Presentation Skills

by attending a short but dynamic Toastmasters evening course.
Commit to 2.5 hours on 8 Monday evenings and by the end of this course
you will be able to:

- Control your nerves when speaking to a group of any size, on any occasion;
- Think on your feet when fielding questions;
- Plan and organise a speech or presentation;
- Deliver a speech in a way that will get your message across;
- Be aware of and use the correct body language;
- Build rapport with your audience; and
- Use props, flip charts and visual aids effectively.

Imagine having the skills so that you can:

- ✓ Make that speech at a special occasion knowing that the audience will really enjoy listening to you and genuinely applaud you.
- ✓ Be professionally prepared for your business presentation so that people actually take notice of what you are saying and want to find out more.
- ✓ Be relaxed about attending a social function and engaging confidently in conversation with people you have not met before.

Here's your **ONE CHANCE IN 2010** to learn real and practical skills by attending a Toastmasters proven "**Speechcraft**" **Course** run by the experienced members of **Parramatta Breakfast Toastmasters Club** in a friendly and supportive atmosphere.
